to Full Professorship
Nicholas Murray Butler announced
metricals where serious as time for reflection and to enrich ourselves for the
rest of the year in the everlasting debt
we owe to the single prize God has
given each one of us—mother. Mothers
day, I believe, will safeguard civilization for America. For as we cling to
mother throughout life, so will we realader the record budget of \$7,419,182.27
of the fiscal year beginning July 1. or the fiscal year beginning July 1. mong the distinguishing features of Among the distinguishing features of the remarkably large budget are the sisty increases for professors and an average in the appropriations for the

wedical School.

"The total appropriations for the order carried on by the university correct carried on by the university correct carried on the university correct carried on the university correct carried on by the university correct carried on the university carried on the univer

Budget Appropriations
Of this sum \$4,485,101.74 is appropriated for educational administration and instruction. \$561.833 for the care of buildings and grounds, \$205,787.60 for the library, \$124,335 for the care of buildings and grounds, \$205,787.60 for the library. 787.60 for the library, \$124,336 for the business administration of the corporation, \$20,370 for annuities, \$120,202.58 for taxes and other charges, \$105,074.16 for interest on the corporate debt and \$100,000 for the redempfund on account of the principa

additional amounts appropriated for mext year by Teachers College, \$1,258,year by leachers College, \$12.08,-by Barnard College, \$252,310.19, by the College of Pharmacy, \$82,-bringing the total cost of main-ing the educational system of the

Seven Professors Promoted
